METHOD

1 STEP 1

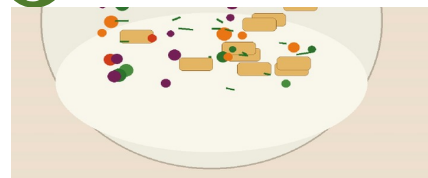

Add the water to a medium saucepan and bring to the boil. Add jasmine rice and a pinch of salt. Stir, cover with a lid and reduce heat to low. Cook for 12 minutes, then remove pan from heat. Keep covered until rice is tender and the water is absorbed, 10-15 minutes. Stir the butter through the rice.

2 STEP 2

While rice is cooking, trim green beans and cut into thirds. Cut barramundi into 2cm chunks. Crush black peppercorns with a pestle and mortar, or in their sachet with a rolling pin. In a medium bowl, combine cornflour, crushed peppercorns and the salt. Add barramundi, tossing to coat. In a small bowl, combine the soy sauce, honey and ginger paste.

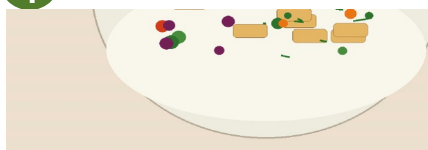

3 STEP 3

INGREDIENTS

In a large frying pan, heat a drizzle of olive oil over medium-high heat. Cook green beans, tossing regularly, until tender, 4-5 minutes. Transfer to a bowl.

4 STEP 4

INGREDIENTS

Return frying pan to high heat with a drizzle of olive oil. When oil is hot, shake excess flour off barramundi, then cook barramundi, turning occasionally, until golden and just cooked through, 4-6 minutes.

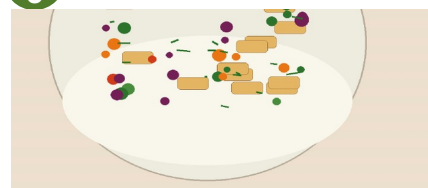

5 STEP 5

INGREDIENTS

Return green beans to pan. Add soy-ginger mixture and cook, tossing to coat, until heated through, 30 seconds.

6 STEP 6

INGREDIENTS

Divide rice between bowls. Top with salt and pepper barramundi and green beans, spooning over any remaining soy-ginger sauce from the pan. Tear over herbs to serve.

BIG FLAVOUR. NO WORRIES.

"Stir, cover with a lid and reduce heat to low."
