METHOD

1 STEP 1

Preheat oven to 240°C/220°C fan-forced. Thickly slice carrot into half-moons. Cut sweet potato into bite-sized chunks. Cut beetroot into 1cm chunks.

2 STEP 2

Place prepped veggies on a lined oven tray. Drizzle with olive oil, season with salt and pepper and toss to coat. Roast until tender, 20-25 minutes. When the veggies have 8 minutes remaining, add baby spinach and a pinch of salt to the tray. Gently toss to combine. Roast until tender, a further 5-8 minutes.

3 STEP 3

INGREDIENTS

Place beef rump between two sheets of baking paper. Pound beef with a meat mallet or rolling pin until slightly flattened. Season beef with salt and pepper.

4 STEP 4

INGREDIENTS

In a large frying pan, heat a drizzle of olive oil over high heat. When oil is hot, cook the beef, turning, for 3-6 minutes (depending on thickness), or until cooked to your liking. Transfer to a plate to rest.

5 STEP 5

INGREDIENTS

While the steak is resting, add the white wine vinegar to the roast veggie tray. Gently toss to combine.

6 STEP 6

INGREDIENTS

Slice the seared steak. Divide steak and roast veggie toss between plates. Spoon any resting juices over steak. Top with a dollop of mustard mayo to serve.

BIG FLAVOUR. NO WORRIES.
