ALLERGENS

Source card flags allergens through bold ingredients; mayonnaise is labelled egg. Check current product labels for soy/Korean sauce and pita bread.

METHOD

1 STEP 1

Peel and grate ginger and thinly slice onion. Heat a drizzle of olive oil in a large frying pan over medium-high heat.

2 STEP 2

Cook beef mince, ginger and onion for 3-4 minutes, breaking up lumps, until browned and onion has softened.

3 STEP 3

Season with salt and pepper, add Korean sauce and simmer until thickened.

4 STEP 4

Peel and grate carrot. Trim sugar snap peas and slice into thin strips. Thinly slice red radishes and spring onion. Combine the crunchy vegetables with mayonnaise, salt and pepper.

5 STEP 5

Prepare the garnish/sauce as directed on the source card using the supplied soy sauce, mayonnaise and sesame seeds. Warm pita bread just before serving.

6 STEP 6

Spread sauce over warm pita, then arrange mesclun, Korean beef and crunchy salad. Finish with sesame seeds and serve.
