ALLERGENS

Source card flags allergens through bold ingredients; mushroom broth contains GF soy sauce and sesame-shallot mix contains sesame. Check current product labels.

METHOD

1 STEP 1

Rinse short grain rice and place in a medium pot with 3 cups water and a pinch of salt. Bring to the boil, cover, reduce heat and cook 15-20 minutes until water is absorbed. Remove from heat and rest covered.

2 STEP 2

Peel and cut carrots into half-moons. Deseed and dice capsicums. Slice mushrooms. Halve zucchini lengthways and thinly slice.

3 STEP 3

Heat a drizzle of olive oil in a large frying pan over high heat. Cook carrot, capsicum, mushrooms and pork mince, breaking up lumps, for about 6-8 minutes until the mince is browned. Season with salt and pepper.

4 STEP 4

Whisk mushroom broth with arrowroot mix until smooth. Chop spring onion and add to the sauce mixture.

5 STEP 5

Add zucchini and the mushroom-broth mixture to the pan. Stir-fry until zucchini is tender and sauce has thickened. Remove from heat and check seasoning.

6 STEP 6

Fluff rice and divide among plates. Top with pork and vegetable stir-fry and sprinkle with sesame-shallot mix.

BIG FLAVOUR. NO WORRIES.
