METHOD

1 STEP 1

Bring about 1.75L water to the boil in a large pot for noodles. Cut bok choy into halves or quarters, wash well and pat dry. Fry cut-side down in olive oil for about 3-5 minutes; remove and keep aside.

2 STEP 2

Peel and shred carrot into ribbons or thin strips. Deseed and thinly slice red capsicum. Slice spring onion. Combine vegetables in a large bowl.

3 STEP 3

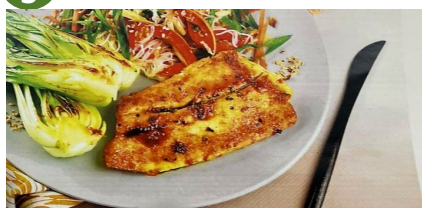

Cook noodles in the boiling water until tender, about 8-10 minutes. Drain well.

4 STEP 4

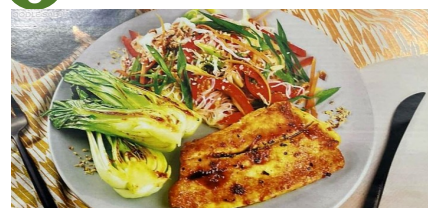

Pat fish dry and grate ginger. Fry fish over medium-high heat for 2-3 minutes each side or until cooked. Add ginger and teriyaki sauce and glaze the fish; warm bok choy in the pan.

5 STEP 5

Add cooked noodles to the vegetable bowl. Add peanut dressing and crispy shallots and toss well.

6 STEP 6

Serve teriyaki fish with bok choy and sesame-peanut noodle salad.
