PANTRY salt and pepper to taste, 4 tbsp extra virgin olive oil, 4 tbsp water for sauce

ALLERGENS

Source card flags Yuki's stir-fry sauce and noodles in bold; sauce contains peanut, soy and sesame ingredients. Check current product labels.

METHOD

1 STEP 1

Place noodles in a large bowl, cover with hot water and soak 10-15 minutes or until al dente. Drain; toss with a little oil to prevent sticking.

2 STEP 2

Crush garlic. Thinly slice onion. Peel and cut carrots into thin strips. Slice capsicums and celery.

3 STEP 3

Slice spring onions. Combine stir-fry sauce with half the spring onion and water; set aside.

4 STEP 4

Heat olive oil in a large frying pan over medium-high heat. Add beef strips, garlic and onion, season, and stir-fry 3-4 minutes until browned. Remove from pan and keep warm.

5 STEP 5

Add more olive oil to the pan. Stir-fry carrot, celery and capsicum for 2-3 minutes. Return beef and add sauce and noodles, tossing until well coated and heated through.

6 STEP 6

Divide Mongolian beef and noodles among bowls and sprinkle with remaining spring onion.

BIG FLAVOUR. NO WORRIES.

"Drain; toss with a little oil to prevent sticking."
