ALLERGENS

Contains fish, soy and egg. May contain gluten from pâté or rolls; check current product labels.

METHOD

1 STEP 1

Finely mince lemongrass, garlic and shallot. Combine with fish sauce, soy sauce, brown sugar and oil. Add pork belly strips and toss to coat. Marinate for 20 minutes (up to 2 hours for more flavour).

2 STEP 2

Place carrot and daikon in a bowl. Stir vinegar, sugar, salt and water until dissolved, pour over vegetables and stand at least 20 minutes. Drain well before using.

3 STEP 3

Heat a large skillet over medium-high heat. Cook pork in a single layer, in batches if needed, for 3-4 minutes per side until golden, caramelised and cooked through.

4 STEP 4

Warm rolls at 180°C for about 3 minutes until crisp. Slice open and spread pâté on one side and Kewpie mayonnaise on the other.

5 STEP 5

Layer caramelised pork into rolls and top with drained pickles, cucumber, fresh coriander and sliced chilli.

6 STEP 6

Drizzle with Maggi Liquid Seasoning to taste, close the rolls and serve immediately while hot and crisp.

BIG FLAVOUR. NO WORRIES.
