ALLERGENS

No allergen box is printed on the source card. Check ingredients and current product labels, particularly nuoc cham.

METHOD

1 STEP 1

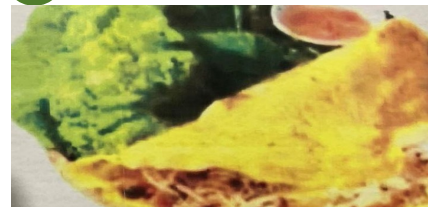

Whisk rice flour, cornflour, turmeric and salt.

2 STEP 2

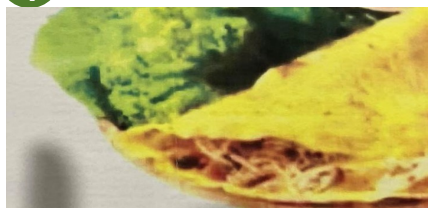

Gradually whisk in water and coconut milk until smooth. Stir in spring onion if using and rest batter about 30 minutes (up to 2 hours).

3 STEP 3

Season pork and prawns lightly. Keep bean sprouts and sliced onion ready.

4 STEP 4

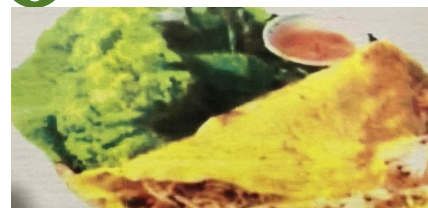

Heat a 24cm non-stick frying pan over medium-high heat. Add 1 tsp oil, fry a few pork slices 1-2 minutes, add prawns and onion and cook until prawns begin turning opaque.

5 STEP 5

Stir batter. Pour in about 80ml, immediately swirling into a very thin layer. Scatter over bean sprouts. Cover and cook 1-2 minutes.

6 STEP 6

Uncover, drizzle a little oil around the edge and cook 3-5 minutes until deeply crisp underneath. Fold in half and serve immediately with lettuce, herbs and nuoc cham.

BIG FLAVOUR. NO WORRIES.

"Gradually whisk in water and coconut milk until smooth."
