ALLERGENS

Contains fish (fish sauce), soy (soy sauce) and peanuts.

METHOD

1 STEP 1

Whisk fish sauce, soy sauce, lime juice, brown sugar, garlic, oil and black pepper until sugar dissolves. Add beef, coat well and refrigerate at least 1 hour (up to 24 hours). Bring to room temperature about 30 minutes before cooking.

2 STEP 2

Grind chilli, garlic, coriander stems and a pinch of salt into a paste. Add fish sauce, lime juice, sugar and grapeseed oil. Stir, adjust to taste and set aside.

3 STEP 3

Remove beef from marinade and pat dry. Sear in a smoking-hot skillet for about 2 minutes each side for medium-rare (or about 2.5 minutes each side for medium).

4 STEP 4

Rest beef loosely tented with foil for 10 minutes, then slice thinly against the grain.

5 STEP 5

Toss mixed lettuce with a little dressing. Combine sliced beef with cherry tomatoes, cucumber, red onion, coriander and mint. Dress with most remaining dressing and toss gently.

6 STEP 6

Pile dressed lettuce onto plates, top with beef and salad, sprinkle with peanuts and extra herbs, drizzle remaining dressing and serve immediately.

BIG FLAVOUR. NO WORRIES.

"Add beef, coat well and refrigerate at least 1 hour (up to 24 hours)."
