ALLERGENS

Contains fish (sardines), gluten (spaghetti) and tree nuts (pine nuts), as stated on the source card.

METHOD

1 STEP 1

Put a large pot of water on to boil for pasta. Gather ingredients; slice shallots, chop herbs and drain sardines.

2 STEP 2

Heat olive oil in a wide heavy-based pan over medium-low heat. Add shallots and a pinch of salt; cook slowly for about 15-20 minutes, stirring occasionally, until very soft and sweet.

3 STEP 3

Toast pine nuts in a small saucepan over low heat until golden, watching closely. Remove immediately to a bowl.

4 STEP 4

Cook spaghetti in well-salted boiling water until al dente. Reserve about 1/2 cup pasta water before draining.

5 STEP 5

Add sardines to the shallots and stir, breaking up larger chunks. Add juice of one lemon, drained pasta and a small splash of pasta water. Turn heat up slightly and stir until combined, adding more pasta water if needed.

6 STEP 6

Off heat, drizzle with white wine vinegar and stir. Taste and add more lemon if desired. Top with toasted pine nuts and chopped herbs and serve with leftover lemon wedges.

BIG FLAVOUR. NO WORRIES.
