PANTRY 100ml extra virgin olive oil, pinch dried chilli flakes (optional), sea salt to taste

ALLERGENS

Contains gluten (pasta) and milk (parmesan), as stated on the source card.

METHOD

1 STEP 1

Warm olive oil in a large pot over low-medium heat. Add shallots, celery and carrot with a pinch of salt and sweat very gently for about 10 minutes until soft and just colouring.

2 STEP 2

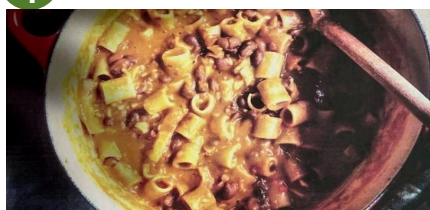

Add garlic, rosemary and chilli flakes if using and cook a few minutes until fragrant. Stir in beans and passata.

3 STEP 3

Increase heat to high and add stock. Drop in parmesan rind if using. Bring to the boil, reduce to a simmer and cook about 10 minutes.

4 STEP 4

Remove about half the soup, avoiding the rind, and blitz until smooth. Return it to the pot to give the soup body; add extra stock if too thick.

5 STEP 5

Add pasta, keep soup simmering gently and cook until pasta is al dente and soup is thick, about 10 minutes depending on pasta shape. Add stock or water if needed.

6 STEP 6

Discard parmesan rind and season to taste. Ladle into bowls, drizzle with olive oil, scatter with grated parmesan and add chilli flakes if desired.

BIG FLAVOUR. NO WORRIES.

"Add garlic, rosemary and chilli flakes if using and cook a few minutes until fragrant."
