ALLERGENS

Contains gluten (pasta), milk (cheese) and sulphites (wine). Sausages may contain other allergens; check current product labels.

METHOD

1 STEP 1

Bring a large pot of well-salted water to the boil. Add casarecce and cook to packet directions.

2 STEP 2

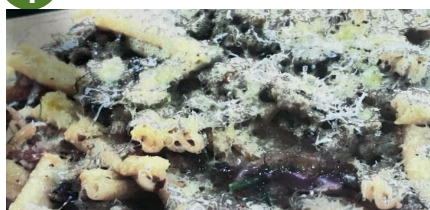

Heat olive oil in a large frying pan. Add sausage mince and break into crumbly bits. Once browned, add garlic and deglaze with white wine.

3 STEP 3

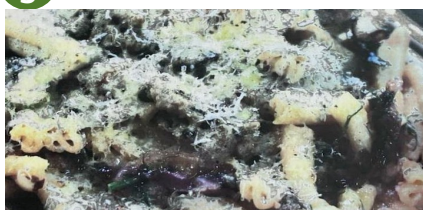

Remove browned mince and reserve. Add fennel and radicchio to the pan, increase heat and cook until softened.

4 STEP 4

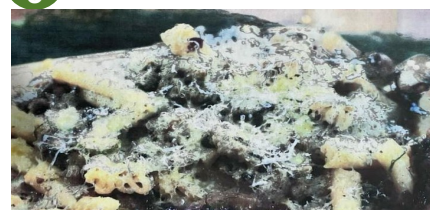

Reserve a mugful of pasta cooking water, then drain pasta.

5 STEP 5

Return mince and pasta to the vegetables. Add half the parmesan and enough pasta water to loosen; stir until sauce reduces and thickens.

6 STEP 6

Divide among bowls and top with remaining parmesan, reserved fennel fronds, cracked pepper and a drizzle of olive oil.

BIG FLAVOUR. NO WORRIES.
